

HOME PROJECTS IN A BOX

Fused Glass Garden Stake

The idea here is for you to pick up the parts and pieces to make projects at home (that we would normally offer in the store as a class). Due to Covid 19 and Dane county restrictions we are not able to hold classes in the store. We will have project sheets laid out in the teaching area along with all the elements needed for several projects. Since it is a fusing project, you will have to bring your assembled creation back in for us to fire in our kilns (unless you have your own). Please return extra materials when you bring back your pieces to be fired. When you are in the store I request you honor three things.

- ❖ Wear a face mask.
- ❖ Be aware of and respect those around you concerning social distancing.
- ❖ Please use hand sanitizer by the front door and throughout the shop.

Fused Glass Garden Stake

- Your creation will be composed on a rectangular 4" by 8" blank of clear glass
- You may use glass frit, vitro graph, pieces of glass and or nibblets.
- When your composition is done spray it well with hair spray provided- this is your adhesive to keep things in place.
- Bring your decorated rectangle to the store. We will fuse and attach a metal stake
