## **Class Description**

Let your creative side explore the wonderful world of glass fusing. Each student will make an 8" circular fused glass project. The background will consist of small pieces of clear glass. This makes a wonderful sparkling base for your design. We will have design samples for you to choose from- or you can create your own. Flowers, birds, nature designs are just a few ideas for you. We will show you how to shape the glass for your project. No previous skills necessary.
